Dear [REDACTED]

Re: Freedom of Information request - Ref: FOI 6055

Thank you for your recent request for information under the Freedom of Information (FOI) Act. Set out below is your original request followed by the Trust's response.

I am writing to request a copy of the most up to date "Operational estate / sector map", which outlines the different service sectors of the Trust (i.e. North Central, North East, North West, South East, South West) as well as the respective stations and other facilities operated by the Trust.

I found that in FOI 4751, titled "Ambulance Station Fleet Numbers", submitted by "xxxx" on 9 August 2021, and responded to by the Trust on 9 September 2021, the Operational estate Service sector map version 6 (16 Apr 21) was released. I was kindly wondering if there is a more up to date version of this map, given that version 6 is now over 2 years old.

Our response

Please find attached the most up-to-date version of the Operational Sector map as requested.

We have redacted some information which the Trust consider sensitive and could compromise the security of the London Ambulance Service NHS Trust (LAS) estates. The Trust has carefully considered your request and for security reasons, we deem the information exempt by section 31(1) (a): prevention or detection of crime. This section of the FOI Act can be applied by any public authority and in accordance with the regulator's guidance, can be used to withhold information that would make anyone, including the public authority itself, more vulnerable to crime, and compromise the security of our asset. Our position is that the disclosure of some of the information you requested poses a risk to the security of the cycle unit (and potentially staff) which requires us to apply the relevant exemption.

The Trust has conducted a public interest test; the outcome of which supports the decision to withhold this information.

If you have any queries about this letter, please contact the Freedom of Information office. Please remember to quote the reference number above in any future communications.

If you are unhappy with the way in which your Freedom of Information request has been handled and wish to raise any concerns, please contact Meg Stevens, at the address above or by email meg.stevens3@nhs.net

Should you still be dissatisfied with the outcome, you are entitled to contact the Information Commissioner at: Information Commissioner's Office (ICO), Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Yours sincerely
